## Materials:

*The specifications of the wool and needle sizes are only examples/references. If You use other wool than specified, the clothes/figure will become taller or smaller. It's your choice which wool you use. The needle size must be chosen to match the wool used. For clothes I usually use the size of the hook indicated on the label. When crocheting clothes, always try them on the doll, because different yarn, hook size and personal tension may alter the final product. Adapt if necessary.*

- Fancy (eyelash) yarn (Bulky), e. g. Schachenmayr Brazilia (beige and light beige/ off-white)
- Some wool (Sport), e. g. Schachenmayr Catania/Scheepjes Catona pink and white
- Crochet hook in suitable sizes (with me: 2.0 mm and 3.5 mm)
- Safety eyes (10 mm) - you can also crochet or embroider the pupil
- Button for the diaper

## Abbreviations (US Terms):

MR = magic ring

inc = increase

sc = single crochet

dec = decrease

dc = double crochet

BLO = back loop only

ch = chain

FLO = front loop only

slst = slip stitch

st = stitch

(-) x = repeat inside of ( ) for x nr of times

The base pattern of the baby is not included. You can download it at <https://zhaya.de/baby.html>.

*Since most threads are on the left (back) side of the crochet when crocheting with fancy (eyelash) wool, it is recommended to turn the crochet piece at the end to the left (turn your ears earlier, otherwise it will be difficult), and to use this side, then you will not have to comb out/brush so many threads.*

*I have some tips for crocheting with such a wool on my page, too. Please visit <https://zhaya.de/fluffwool.html>.*
